January / February 2015

A Message from your Auxiliary President

Sisters,

Let us work together to make sure 2015 is a year of progress and growth for our club and for each of us.

The auxiliary meetings are the first and third Thursday each month --- but not this month. The first Thursday in January is New Years Day. The first meeting in January has therefore been moved to the second Thursday, January 8. We will then be back on schedule and meet on the regular third Thursday, January 15.

The auxiliary will open the year with the reading of proposed by-law changes at the first three meetings. (The meeting dates are January 8, 15 and February 5, 2015.) Voting on the changes will occur at the third meeting.

We have a vital, active, and supportive membership. We are proud to be of service to the Aerie and encourage all members to support, participate and promote our club. So let's take the Plunge! That is the Polar Plunge on January 4 to start the year with a splash. Hope to see all of you there to help us cheer on our brave, intrepid participants.

For the good of the hood,
Allyson Grills
